Profile

Compositing Artist and Digital Artist with over 17 years of experience in visual effects and digital imagery, including 5+ years specialized in Nuke and DaVinci Resolve Fusion compositing for film, TV, and animation. Skilled at integrating CG, live-action, and FX elements to create seamless and cinematic visuals. Based in the Canary Islands, available for remote or on-site collaboration across Europe and internationally.

"Crafting cinematic imagery through light, precision, seamless and stylized cinematic visuals."
